GLOBAL OUTREACH

PRAYER & PRAISE

Brian and Brooke Johnson and family made it safely to Mexico, with no problems crossing the border (PTL). They have a 180 day visa, which is the longest tourist visa possible, so are very thankful for that. They are also thankful for safety, health, and some really helpful folks who are helping them get orientated and find housing.

Bill Odom is home from the hospital as of last Sunday evening. It is estimated that it will take 3-6 months for the pulmonary embolism to dissolve with blood thinning medication. Pray for wisdom for Bill to know how to take it easy, while being active enough to not worsen the blood clotting, and also that his oxygen will stay at safe levels. We rejoice with Bill and Julie in the birth of baby grandson Kobe Cole Tan last Tuesday!
