

Rahab's Window

Create a model of Rahab's window to help you look at people in a new way. Follow the directions on the cut-out part of the window to assemble the model. Then look through the window.

How do you see people? Do you see everyone as a person who longs to love God and be loved by him? At first the spies thought Rahab would be their enemy, but then they found out that she loved God, too.

Look through your window and ask God to help you see people in new ways. Love people the way God does this week!
