SEPTEMBER MISSIONARIES OF THE MONTH

Larry and Andrea C. – North Africa

Collaborate with regional artists and translators to produce Bible stories and Scriptures in multiple medias (print, CD, internet, mobile phone). Their goal is to make the Scriptures relevant and accessible to local communities. The results are both powerful and artistic.

Karen Erickson – Principal of The International Academy of St. Petersburg, Russia

Currently working from her "stateside" home. Pray for the school as it opens a new year in a new building, and that Karen will soon be able to get a visa that will allow her to physically return to her school.
